Happy Woman's Month To all the women in SAFETY & SECURITY (SECTOR)

The Bodyguards

PROFESSIONAL FEMALE BODYGUARDS

Female Close Protection Services

We are the industry leaders for promoting training and staffing women in the Security industry. We provide a wide range of close protection for executives, politicians, entertainment professionals, CEO`s corporate personnel etc.

Female Close Protection are increasingly sought after because of their ability to offer unparalleled versatility. -

- They are trained to be low profile, strategic and careful. They do the same job as male operatives and they are fit. Some of our operatives are certified as Child Protective Security specialists (Nanny guards) and they can do even more.

Black Mamba Anti-Poaching Unit in South Africa

This is the first of its kind being that the majority of the team are women.

These women are taking on poachers and winning.

Guarding South Africa`s most precious wildlife and saving Rhinos with their lives.

They are deployed in the Nature Reserves, part of the Kruger National Park.

Meet the Black Mambas, the all-female anti-poaching team.

Meet our golden girls **Major Mandisa Nomcebo Mfeka and Mpumelelo Phungula**: flying our South African flag high in the **SANDF** female pilots

Big-up`s to our Female Fighter Pilots, one of the ways SANDF is blazing its own trail

Phetogo is changing the SA Airforce- Bloemfontein Courant

Do you have what it takes to be police officer?

These 4 female 'rookie' cops took down an armed gang without firing one shot.

Salute to our women and job very well done.

It's easy to join our officers in blue.

Learnerships are available on Sassetta website: www.sassetta.org

BLACK EXCELLENCE

"She saves lives"

Meet our young confident, smart, hardworking and dedicated women

Mbalenhle Khumalo a qualified paramedic. Graduated from the Cape Peninsula University.

Working tirelessly day and night to save life's in the Easter Cape province.

She's originally from Kwa-Zulu Natal (Newcastle) Embabane

Workplace Skills Program (WSP)

- The Workplace Skills Program (WSP) Registration for all **Nafcoc Sectors** was submitted to the **department of labour**.
- In order for all the sectors to receive training skills they require in order to:
- To bridge the gap of skills shortage and to equipped members with relevant qualifications, some of them will be obtained based on **Recognition of Prior Learning (RPL)**

Services Seta requested the training needs of skills for NAFCOOC staff, management as well as member affiliates in all provinces.

-The forms to be completed are available to the office of the **secretariat in NAFCOOC head office** and the **clarity regarding the whole process**.

Best Women Firefighter 2016

It all starts here:

Basic first aid Training

We Protect

We save life's

&

-We Combat Crime

Seems you are in for exciting times
